Guardian of the countryside**

## **Don't make him mad!**

The countryside is under threat.

Expensive new houses that don't meet local need  
could be built on green fields north of Dorchester.

The Ooser won't like...

Flood water *oozing* into peoples homes

Contaminants *oozing* into drinking water

Pollution *oozing* into the River Frome

**Don't upset the Ooser  
Say No to Norchester**
